## The 3 most important things you need to know about getting a puppy

You did it. After weeks searching for the perfect match, you finally got a puppy.

Now you want to make sure you raise your new dog the right way. That's where we can help.

We've put together three must-knows about getting a puppy that will guarantee you and your young furry friend get off on the right paw.

**1**

**Puppies are hard work. Do your research and be prepared.**

During all the excitement of getting a new dog, it can be easy to forget how much effort a puppy really takes.

The truth is, raising a puppy properly is a lot of hard work and it requires a big investment of your time. Your puppy's adorable now, but they're going to grow up (fast) and

Story of the month  
**Bootstrap**

Before Koru K9, Bootstrap's fear and insecurity were leading to reactive behavior towards people and other dogs. Bootstrap's owner felt she didn't have the time to help him properly, so she brought him to us.

Three weeks into his Board & Train, Bootstrap had done a complete 180!

**Brian Knight**

We love to hear about the winding roads our trainers take that lead them to dog training. Brian's a great example. He served in the Marines and worked in the organic produce industry before graduating from our balanced training academy and joining the Koru K9 team.
