How to Train Your Puppy: Tips for Avoiding Behavioral Issues

You've found the perfect little addition to your pack! Now it's time to get your puppy's training off on the right paw.

Dog training is a lifelong journey that starts with shaping your puppy's behavior so you can nip behavioral issues in the bud and lay the foundation for a healthy relationship with your pet.

In our latest blog post, we've answered five of the most-asked questions new dog owners have about puppy training to help you both succeed.

Story of the month

Bean

Moving to a new place can be hard for our furry friends.

Bean, a five-year-old Pitbull rescue, and her owners were moving to an apartment complex where there would be unfamiliar people and sounds. So, they wanted our help to get Bean ready for her new home.

[See how we helped Bean prepare for the move](#)

Trainer highlight

Kathi Glenwinkel

We love stories like Kathi's!

Her passion for dogs ignited with a promise to train her first family pet and flourished into a career training and working with dogs across a variety of disciplines.
