

Train to Transform

# Your pack is our passion

## Everything you need to know about clicker training for dogs

Clicker training is a great way to teach your dog new commands and reinforce good behavior. Our balanced trainers use it every day with the dogs we work with across the country.

However, we've found that many dog owners are unclear about exactly what clicker training is, how it works and what its benefits are.

That's why we've taken the time to break down everything you need to know about clicker training for dogs in our latest blog post.

### Story of the month

## Luna

Taking Luna for a walk used to be the highlight of her owner's day. However, the development of leash aggression quickly sucked all the fun out of their daily outings.

How did we help Luna overcome her leash aggression? Impulse control.

### Trainer highlight

## Sarah Leander

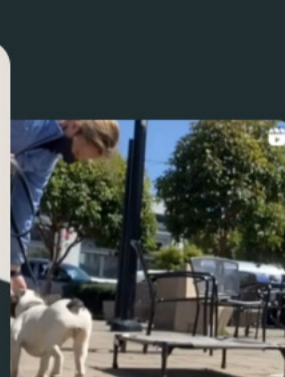

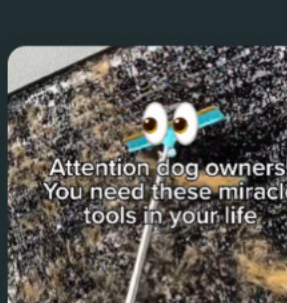

A passion for learning is what drives Sarah. Whether it's expanding her training education, competing with her own dogs, or working with exotic animals, Sarah's enthusiasm and motivation make her a great dog trainer and valuable member of the Koru K9 team.
